**Dear Mr. Param Kalaria,**

On behalf of Gujarat Technological University – School of Engineering and Technology (GTU-SET), I extend my heartfelt appreciation for conducting the session titled **"Hands-on Cyber Defense: Vulnerability Analysis and Secure OS Hardening"** on **18th November 2025** from **11:00 AM to 12:30 PM** through Google Meet.

Your session was highly insightful, practical, and extremely valuable for our students. The depth of your expertise, combined with your ability to simplify complex cybersecurity concepts, truly enhanced the learning experience. The hands-on demonstrations and real-world examples you shared have significantly enriched the participants' understanding of vulnerability analysis and secure OS deployment practices.

As an esteemed alumnus of GTU-SET, your contribution holds special significance. We deeply appreciate your commitment to giving back to the academic community, which serves as an inspiration to our current students.

We sincerely thank you for your time, effort, and dedication. We look forward to continued collaboration in future initiatives.

Warm regards,

**Dr. Seema B. Joshi**
